BUDGET DETAIL AND PAYMENT PROVISIONS

1. **BUDGET CONTINGENCIES**

A. State Budget Contingency

- 1) It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, the State shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Agreement and Contractor shall not be obligated to perform any provisions of this Agreement.
- 2) If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, the State shall have the option to either cancel this Agreement with no liability occurring to the State, or offer an agreement amendment to Contractor to reflect the reduced amount.

B. Federal Budget Contingency

- 1) It is mutually understood between the parties that this Agreement may have been written for the mutual benefit of both parties before ascertaining the availability of congressional appropriation of funds, to avoid program and fiscal delays that would occur if this Agreement were executed after that determination was made.
- 2) This Agreement is valid and enforceable only if sufficient funds are made available to the state by the United States Government for the fiscal year 2009 for the purpose of this program. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or to any statute enacted by the Congress that may affect the provisions, terms, or funding of this Agreement in any manner.
- 3) The parties mutually agree that if the Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.
- 4) The Department has the option to invalidate the Agreement under the 30-day cancellation clause or to amend the Agreement to reflect any reduction in funds.

EXHIBIT B
(Standard Agreement)

- 5) The State shall authorize expenditures of funds under this Agreement based on the Continuing Resolution appropriations. CSD shall notify the Contractor in writing of authorized interval funding levels.
- 6) It is mutually agreed that if the Congress does not appropriate sufficient funds for this Program or appropriates additional funds, this Agreement shall be amended to reflect any increase or decrease in funds.

2. BUDGET GUIDELINES

A. Budget and Allocation Forms

- 1) Upon execution of this Agreement, Contractor shall submit the 2009 ARRA DOE Weatherization Budget (CSD 570) attached to this EXHIBIT B, based on the Maximum Amount of this Agreement in accordance with the accompanying instructions and other applicable provisions of this Agreement.
- 2) In the event the DOE annual grant award is yet to be determined and CSD funds this Agreement based on Continuing Resolution appropriations, Contractor shall complete the budget and allocation forms using the Estimated Budget Allocation amount as defined in EXHIBIT G. When this Agreement is amended to reflect the Final Allocation, the budget and allocation formula shall be amended to reflect the actual annual allocation.

B. Working Capital Advance and Major Purchase Advance

1) Working Capital Advance (WCA)

Contractor may, in accordance with applicable law, receive WCA payments of allowable program costs contemplated under this Agreement, *provided* Contractor shall comply with the provisions of the present Paragraph D and such additional guidance issued by the State as is needed to implement Paragraph D (collectively "WCA Requirements") to ensure that:

- a. the time elapsing between the transfer of funds and the disbursement or expenditure of the funds by Contractor is minimized; and

EXHIBIT B
(Standard Agreement)

- b. Contractor's financial management systems are compliant with the provisions of this Agreement and the standards for fund control and accountability as established in OMB Circular A-133 and in the Model Federal Advance Requirements as defined in subparagraph c., below with particular reference to 10 CFR 600.121.
- c. Working Capital Advance (WCA) Requirements include the following standards:
 - i. The WCA shall be for the minimum amounts necessary – timed in accordance with Contractor's immediate cash requirements – which will enable Contractor to carry out the purposes of this Agreement;
 - ii. The *Model Federal Advance Requirements* are hereby incorporated by reference and adopted by the parties, for purposes of guiding and informing WCA requirements under the Agreement. The "Model Federal Advance Requirements" are defined as the provisions set out in the Code of Federal Regulations (CFR), Title 10, Chapter II, Sections 600.122, 600.220 and 600.221; and
 - iii. Guidance issued by the State regarding the scheduling of the WCA and the disbursement or expenditure of the funds by Contractor, while conforming to the requirements of subparagraphs 1) and 2) of the present Paragraph D, shall also take into account the practical requirements and limitations of efficient administration and the effective implementation of this Agreement by both Contractor and the State.
- d. In order to effect the purposes and requirements of subparagraphs 1) a. and b. above, the State has established the following general provisions in order to give effect to the WCA Requirements set out in this Agreement and in such supplemental guidance as may be issued:
 - i. To ensure a minimal lapse of time between the transfer of funds, and the disbursement or expenditure by Contractor, and to effect both the consolidation of advance requests and optimal administration of advance payments, the WCA will be based on Contractor's reasonable quarterly projections of anticipated expenditures allowable under the terms of this Agreement;

EXHIBIT B
(Standard Agreement)

- ii. The WCA request shall be: 1) submitted in advance of the beginning of the quarter, in accordance with CSD's guidance; and 2) is subject to CSD's review and approval;
- iii. Upon approval of the WCA request, a payment will be issued to Contractor, which shall be limited to one hundred percent (100%) of the Contractor's total projected expenditures for the entire quarter;
- iv. The WCA will be liquidated immediately, and will be reconciled at the end of the third month of each quarter. After issuance of a WCA, the balance will be offset by monthly expenditure in EARS.
- v. All WCA requests will be issued and reconciled as specified in CSD Energy Policy and Procedures number EP-11-01, incorporated by reference to this Agreement and available on the CSD website at www.csd.ca.gov.
- vi. If, at the end of the contract term Contractor has received WCA payments in excess of requests for reimbursement that have been approved by CSD, Contractor shall promptly remit the excess balance owed.
- vii. Upon receipt of the WCA funds, Contractor shall deposit the funds in an interest-bearing advance account, in accordance with the provisions of this Agreement and Federal and State law. The account shall be sufficiently segregated to enable the tracking and accounting of WCA funds by CSD; and
- viii. In the event the State determines that Contractor has used the WCA for reimbursement of expenses that are not allowable under the terms of this Agreement and/or under Federal and State law, the State may, in accordance with the applicable provisions of the CFR, compel Contractor to repay any WCA monies wrongfully used and/or may make such adjustments in future payments to Contractor as it deems appropriate in order to rectify such misuse of WCA funds.
